3. Principal Report - Mrs. Clinkscale/Mrs. Cucu - King Fun Run was such a wonderful day. Thank you to the whole Fun Run team. Ice Cream Social was so amazing. I loved seeing the band, the basketball team, and everyone there. We are beginning to collect devices. We have been collecting chromebooks and chargers. Also, 5th graders and Summer Learning Institute kids will be keeping their devices. Report cards and NWEA will be coming out June 9th. The NWEA report will show the scores from the Fall, Winter, and Spring reports. We usually do not send home the report for Winter, because that is mainly used for teachers. The Safe Route to School Grant we received was \$5,000. We used the money to purchase another bike rack as well as water bottles for the kids for next year. The grant is to encourage kids to bike or walk to school in a safer, more accessible, and easier way. We will be handing out water bottles in the Fall. Kick off in October for a walk and bike to school. Lost and Found outside. Please come by and see if your kids have left anything behind. We might keep some items and then we donate the rest. June 9 at 9:30 am there will be a ceremony for rising 5th graders and then we will do a clap out at 10:30 am. Also, the front office is fully staffed now. The new office professional is Tracy Richard.
4. Teacher Report - Mrs. Shah/Mrs. Berger - Lots of things happening in the building. Wanted to thank the PTO for the teacher appreciation week. Also thank you so much for the teacher mini grants. Congrats on a wonderful Ice Cream Social! Each grade is doing

something different for the end of year celebration. Y5 - field day on the front lawn. Parents helped in many ways. During Kindergarten graduations, kids received diplomas, played games, wore graduation caps, and ate fruit and popsicles. First graders are celebrating with Camp Skeeter all week. Second graders are celebrating with outdoor activities like water balloons and then indoor crafts such as bracelet making and then a movie. Third grade is celebrated with the following activities: game day, craft day, movie day, popsicle day, yearbook signing day. Fourth grade celebrated with a trip to Gallup Park and finally, Fifth grade went to Fuller Pool and celebrated with t-shirts, sunglasses, balloons, and more fun supplies.

5. Treasurer Report - Shalini Jayasundera - We are ending the year very financially strong. Net income at the end of the May is at \$30,000. Thanks in part to having two big fundraisers; the Silent Auction and the Fun Run. Our reimbursement requests are finished now. Our books will be closed at the end of June and our final Profit and Loss statement will be posted after June.

7. Committee Reports -

- a. Ice Cream Social - Emily Mashal - We made a profit at the Ice Cream Social. We were able to deposit about \$600 which was a nice surprise. We ended up with a couple boxes of extra ice cream for the teachers. The high school basketball players had a great time as well as the band. Emily Mashal has agreed to lead the Ice Cream Social again next year.
- b. Restaurant Community Nights- Erin Hill/Liz Arnkoff - Blom Meadworks 6/10 2-5pm. 25% back to King
- c. Fun Run - Allison Jeter/Emily Stoneman- The Fun Run went really well. It was a lot of fun. Kids had a great time. Beautiful weather. Pool noodle relay with Mr. Matulis was fun. Allison and Emily are happy to lead the event again next year. We raised about \$8,500 which is really close to our goal. Next year we will try to start looking for sponsors earlier.

- d. Learning Garden - Caroline Hughes - The Learning Garden library door was broken, but the Ramirez family took it home and fixed it. Ramirez kids did art work and parents fixed doors. Now, we are able to fill it with books and seeds. The Summer watering garden Sign-up Genius is full. The garden hasn't had a work day since Covid, but Caroline is hoping that Clague or Huron kids would like to come volunteer and get involved.
- e. Addressing questions: Aarti asked: Will there be a tour of the building for parents of new students? Koren responded: We will probably have our doors open during our King kick-off for parents to take a peek in the building.
